## Summer 2012

Zoo Adventures is a school holiday program for students attending primary school, aged from 5-12 years, which is run by qualified staff.

Children experience the sights and sounds of the zoo; join in with art/craft and other activities with an animal theme!

### Help Save Us

We need your help! Come along for a day of close encounters and learn what we are doing at the zoo to ensure the survival of some of our most precious animals.

### Super Safari

Have you ever wanted to go to Africa and experience a safari? If you join us today keep your eyes peeled, this will be an adventure that you won't forget. How many of the big five will you spot?

### Climbing Creatures

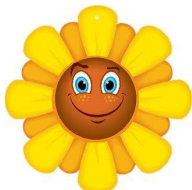

Bring your energy along for a day of climbing creatures. From primates to reptiles and many more in between, you'll be surprised how these critters get to the top and how they stay there.

### Keeper for a Day

Walk in the footsteps of a Zoo Keeper with some very important tasks to complete. Go behind the scenes, prepare animal food and make some puzzles for our animals to do!
