EXCURSION PROGRAM OVERVIEW

Celebrate World Environment Day with a full day wild educational excursion like no other at Taronga Zoo Sydney available 3-4 June 2027

This wild educational excursion will intertwine the chance to come face to face with animals and their environments, and to explore climate solutions using interactive digital floor games and recycled materials.

STAGE 2 AND 3 STUDENTS WILL EXPERIENCE THREE ROTATIONS THROUGHOUT THE DAY

ENERGY IN ECOSYSTEMS WORKSHOP (STAGE 2) OR ADAPTATIONS IN A CHANGING WORLD WORKSHOP (STAGE 3)
TARONGA INSTITUTE FOR SCIENCE & LEARNING (MAP REF L9)

Join a Taronga Educator led lesson on either:

Stage 2: Energy in Ecosystems

- Exploring how energy flows through food chains and how ecosystems rely on living and non-living components

Stage 3: Adaptations in a Changing World

- Observing how animals' adaptations are impacted by today's changing environments, both natural and human-induced

CLIMATE SOLUTIONS WORKSHOP
TARONGA CENTENARY THEATRE (MAP REF J12)

Join a Be The Future led interactive experience:

Stage 2 & 3: Nature-Based Solutions

- Exploring global initiatives using interactive digital floor games
- Using a design process to create, test and improve a wildlife corridor for an Australian animal with recycled materials and STEM tools

SELF-GUIDED VISIT (INCL LUNCH)
TARONGA ZOO SYDNEY

Suggested trail linked to the two workshops:

- Nura Diya Australia (Map ref J5)
- Amphibian & Reptile Conservation Centre (ARC) (Map ref H7)
- Tiger Trek (Map ref H14)

OBJECTIVES

Stage 2: Science and Technology: ST2-SCI-01: Taronga workshop | ST2-DDT-01: Be The Future workshop
Stage 3: Science and Technology: ST3-SCI-01: Taronga workshop | ST3-DDT-01: Be The Future workshop
Priorities: Sustainability; Aboriginal and Torres Strait Islander Histories and Cultures

PRICING

$25 per student

MAX CAPACITY

90 students per day | 30 students per workshop
