Q: What time can our bus collect us from the Campground in the morning?

A: Your bus can collect your group at 9.00am from the campground.

If your driver is arriving between 8.30am – 9.00am, they will need to drive into the zoo and down to Check Point (the entry in the Zoo Circuit) and advise to the staff member that they are collecting the

Group from the campground. They will then be permitted to drive around the Zoo to the campground.

Q: Can we tow a trailer around the Zoo Circuit?

A: Only if driving directly to and from the campground (i.e. in the afternoon to drop off student luggage or in the morning to collect student luggage).

Trailers must be unhooked and left (at your own risk) in the Zoo's carparks located at the start of the Zoo.
